PINOT MEUNIER 2010

VARIETY: 90% Pinot Meunier. 10 % Pinot Noir

VINTAGE: 2010

AREA OF ORIGIN: Stellenbosch

PRODUCT BACKGROUND: The Villiera Pinot Meunier Brut has only been produced in two vintages (2010 & 2011). It was produced experimentally to see how the varietal would perform on its own. It is rare to find examples of pure Pinot Meunier and is thus in line with Villiera's pioneering spirit.

HARVEST DETAILS: Only Pinot Meunier grapes were used which were sourced from our own ecologically friendly vineyards (there are very few plantings of this grape in South Africa). Early handpicked grapes.

CELLAR TREATMENT: Whole bunch pressed, cuvee separated and settled. Cool Fermentation, followed by MLF. Stabilized and prepared for 2nd fermentation. Bottled in Sept 2010. Disgorged in March 2016

TASTING NOTES: Full and rich from the use of 100% red grape and the extended time on the lees (5 1/2 years). A complex mouthfeel with slightly lower acidity making it easy to drink. Flavours from floral to raspberry with great balance.

ANALYSIS:

Alcohol:	12 vol %
Residual Sugar:	9 g/li
Total Acid:	5.6 g/li
pH:	3.4
