

**EAGLES' NEST MERLOT 2013**

	<p>Eagles' Nest, located on the crest of Constantia Nek pass, is nestled at the foot of the awe inspiring Table Mountain. This pristine and boutique family owned vineyard (38 Ha in size) has in recent years gained a reputation for both its striking beauty and award winning wines.</p> <p>Uniquely characteristic of its wines is a signature of finesse, derived from the cooler climate conditions its vines are exposed to as a result of its elevation and close proximity to the oceanic body that is False Bay, thus delivering very distinctive wines not found elsewhere in South Africa.</p> <p>Quality and consistency is paramount at Eagles' Nest. Our unique terroir, combined with meticulous attention to detail in the vineyards and cellar, yields wines that are the epitome of elegance and balance.</p>	INTRODUCTION

	<p>The grapes for this wine were the 8th and 9th vintage off twelve and thirteen year old vines. The vineyard aspects range from North East to North West, against rugged mountain slopes. All grapes were hand-picked, hand sorted and crushed into medium sized open top fermenters. Punch-downs and pump-over's were performed three to four times per day, these practices being determined by twice daily tastings of the tanks. Fermentation took 9 days to complete, after which the free run wine was drawn off and the skins pressed separately. The wine was then racked into first, second and third fills barrels where malo-lactic fermentation took place. Six different cooperages were used, each specifically chosen to complement the different nuances of this very complex wine. During maturation, the wine was racked three times. After 18 months in barrel the best barrels were racked to tank and blended to create a harmonious finished product. A light filtration preceded bottling in February 2014</p>	PRODUCTION
	<p>This 2013 vintage merlot exhibits intense dark berry, spicy cherry and cigar box aromas. Meticulous attention in the vineyard and cellar combine to produce a wine with textured fruit purity and tantalizingly firm yet more-ish tannins. As with all Eagles' Nest red's there is a subtle peppery savouriness that makes this wine both distinctive and gives testament to its origin on a cool wind swept mountainside. The palate is a satisfying combination of perfectly ripe berry fruit, subtle spice, balanced tannins and a focused and persistent mouthfeel. This wine is ready to drink now but will benefit from correct cellaring until 2023</p>	DESCRIPTION
