

TALAOS

IGP COTE VERMEILLE 2019

Perfect blend of elegance and strength, TALAOS is made from our best Grenache grapes originally used for traditional Banyuls sweet wines and carefully selected.

Terroir

The vineyard from this territory is located at the extreme south of France, close to Banyuls. Our vineyard follows the coast, between the Mediterranean and the Pyrenees, overlooking the sea. The vines grow on terraces, on steep slopes of arid schist. They define the whole landscape from the seashore to the deepest valleys of the territory.

Grape varieties

Grenache noir

Winemaking

We harvest the Grenache grapes by hand in small baskets. After a strict selection of the best grapes we then use a cold soaking fermentation, to obtain more colour and fruit.

Tasting Notes

Combining strength, freshness and elegance, TALAOS will be delicious to open with a grilled meat, a garlic chicken or why not with a typical Catalan meal such as a Fideua (kind of Paëlla).
