**Yields:** 40hls/ha

**Ageing:** 6 months in concrete tank

**Tasting temperature:** 16-18° C

**Ageing potential:** From now to 5 years

This red Sablet has a very beautiful pronounced black dress with ruby nuances.

His intense and extravagant nose is moving towards black fruits and let a delightful greediness emerging.

A very full, round and full mouth. Fine, subtle and silky tannins married to a rich, playful and greedy aromatic bouquet.

All these elements give this wine an exceptional drinkability where we find the elegance of the great terroirs.

Conversion to organic farming to the vintage 2020.

EARL Domaine Les Sibou, 638 Chemin de Carpentras - 84110 Sablet - France

### They are talking... :

« This Sablet evokes a basket of fruits, the aromatic palette is at once elegant and of a great softness. A splendid wine.. »

Robert Petronio (Revue des vins de France)
