2016 'ARGOS' SHIRAZ

Crafted in an elegant, perfumed style of Shiraz and heralding from the higher altitude Eden Valley region, the Argos Shiraz is a sophisticated single vineyard wine, our accolade to the Barossa's most well-known varietal.

TASTING NOTES

Colours of intense and vibrant ruby red represent the bouquet full with red and dark berry fruits balanced with black pepper and spice. These aromas are reflected on the palate with an elegant, silky tannin finish. 40% New French oak, and extended aging in bottle before release integrates all of these characters seamlessly.

ARGOS

"The Odyssey", written by Homer in 800 B.C., mentions the legend of Argos, a faithful greyhound waiting for his master Odysseus to return after 20 years fighting the Trojans. When he finally does return home, he disguises himself as a beggar and the only one to recognise him was his loyal greyhound Argos.
