2017 'PERITAS' BAROSSA VALLEY ZINFANDEL

In reverence to this complex varietal, the Peritas Zinfandel is an acknowledgement of the wine style that ignited Jo Irvine's passion for winemaking. A single vineyard wine, displaying opulent fruit characters and beautifully balanced tannins.

TASTING NOTES

Intense dark brick red colours with a bouquet of dark morello cherries and spice. Rested in a combination of new American and new French oak, this wine has been crafted to enhance the rich, dark cherry and ripe raspberry fruits and finishes with silky tannins on the back palate.

PERITAS

Greek warrior Alexander the Great (356-323 BC) used greyhounds during his military campaigns. One faithful battle, his favourite greyhound Peritas fought a war elephant. Alexander was so impressed at the faithfulness and bravery of Peritas that he ordered a state funeral for his friend, named a city after him and had a statue erected in his honour in the city square.
