Art Collection

2018 MERLOT

In honour of Jo Irvine's winemaking roots, the Art Collection Merlot is created with a perfect balance of medium-bodied, savoury elements and luscious, full-bodied flavours, creating a wonderfully versatile and easy-drinking wine.

Vineyard surroundings, terrior and climate all influence the characters of the Art Collection Merlot. The working friendships Jo has nurtured throughout her winemaking career with carefully selected vineyards and growers has resulted in this delightful, food-friendly wine.

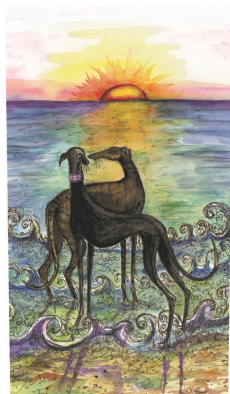

TASTING NOTES

Cherry to brick-red colours with a bouquet of earthy tones layered with hints of violets, cedar and blackberries. Rested in a combination of new and older French oak, the palate reflects the bouquet along with subtle vanilla and cherry flavours finishing with soft, balanced tannins. A beautifully versatile food pairing wine, try with Beef Carpaccio, Pesto and Parmigiano Reggiano or Glazed Veal Chops with Wild Mushrooms.
