

# CLARE VALLEY KNAPPSTEIN

ENTERPRISE WINERY

## Clare Valley Riesling

2022

The 2022 Riesling has both elegance and intensity, with true Knappstein traits of lime, spice and white florals on the nose and a generously flavoured palate. Lively acid, mineral texture and a powerful and persistent lemon finish.

### VINEYARDS

The fruit is sourced from our own Clare Valley vineyards, showing the spectrum of flavours when blended carefully together. Average vine age is 38+ years.

### VINTAGE

A wet spring, with record November rain saw full dams and soil moisture making for a positive start to the growing season. Favourable conditions throughout flowering and fruit set promoting quality and yield across all varieties. Cool conditions during December and January provided long steady ripening conditions, perfect for developing a combination of fruit flavours.

### AWARDS

- 93 Points | JamesSuckling.com
- 94 Points | Tyson Stelzer (WBM)
- Gold Medal | Royal Hobart Wine Show
- 94 Points | Canberra International Riesling Challenge

### TECHNICAL INFORMATION
