## CABERNET SAUVIGNON

*Jim Brand was born into the 3rd generation of an Australian winemaking legacy and his family name is synonymous with the world renowned Coonawarra region.*

**Region** Coonawarra, South Australia.

**Vintage** 2018. **Alcohol** 14.5% Alc/vol.

**Colour** Deep dark purple with red hues.

**Aroma** Lifted aromas of blackberry and plum, dried sage, mint and tobacco with overlaid with cedar oak notes.

**Palate** An intense and flavour filled palate of plums, blackberries complemented with sturdy but well balance tannins holding together a long lingering finish.

*"Offering fabulous fruit purity with stylish complexity, the wine shows blackcurrant, tapenade, dried herb and toasted nut aromas on the nose, followed by a concentrated palate delivering terrific power as well as finely textured mouthfeel, brilliantly framed by fine dusty tannins. At its best: now to 2035."*
